2.1.5 Provision of Equipment and Facilities

- (A) Except as otherwise indicated, Customer-provided equipment at the Customer's premises for use in connection with this service shall be so constructed, maintained and operated as to work satisfactorily with the facilities of the Company.
- (B) The Company shall not be responsible for the installation, operation or maintenance of any Customer-provided communications equipment. Where such equipment is connected to service furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of services under this tariff and to the maintenance and operation of such services in the proper manner. Subject to this responsibility, the Company shall not be responsible for:
- (1) the through transmission of signals generated by Customer-provided equipment or for the quality of, or defects in, such transmission; or
 - (2) the reception of signals by Customer-provided equipment; or
 - (3) network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

2.3 Obligations of the Customer

2.3.1 Customer Premises Provisions

- (A) The Customer shall provide the personnel, power and space required to operate all facilities and associated equipment installed on the premises of the Customer.
- (B) The Customer shall be responsible for providing Company personnel access to premises of the Customer at any reasonable hour for the purpose of testing the facilities or equipment of the Company.

2.3.2 Liability of the Customer

The Customer will be liable for damages to the facilities of the Company caused by negligence or willful acts of its officers, employees, agents or contractors of the Customer.

2.3.3 Credit Reauirements and Deposit Information

CSI requires a minimum of two years in business to subscribe to its services. Any new business or business existing less than two years requires a deposit not to exceed one month's average usage. Any business determined to be "high risk" for poor credit history requires a minimum deposit of two month's average usage.

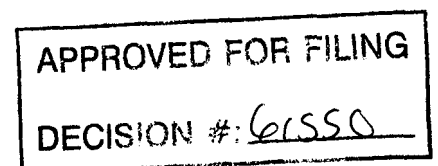

CSI handles complaints regarding transmission or network problems immediately *via* "trouble tickets" issued on line to Frontier Communications. CSI follows up with Customers to insure the problems have been corrected. Problems stemming from charges or credits owed are also handled immediately *via* 24 hour Customer service. All Customers

Should Customers feel they have been overcharged or misrepresented and have documented proof of rates offered, CSI will immediately credit all overcharges. CSI will make reasonable efforts to honor all rates. If it is determined the rates offered are unreasonable and/or unprofitable, CSI will pay the charges to convert the Customer to its previous carrier.

CSI practices "standard" rate programs for all Customers. In the event CSI were to provide a "non-standard" rate program, CSI would file an additional tariff in the appropriate state.

2.4 Use of Service

Long Distance Telecommunications Service may be used to transmit communications of the Customer in a manner consistent with the terms of this tariff and the policies and regulations of the Federal Communications Commission.

Use of Long Distance Telecommunications Service is considered an order for such service.

2.5 Customer Equipment and Channels2.5.1 Interconnection of Facilities

(A) Interconnection between Customer-provided and Company-provided service must be made by the Customer by leased channel or dial-up service. Where interconnection between Customer-provided and Company-provided service is not made by lease of Company facilities, interconnection must be made by the Customer at the Company's operating offices. - (B) In order to protect the Company's facilities and personnel and the services furnished to other Customers by the Company from potentially harmful effects, the signals applied to the Company's service shall be such as not to cause damage to the facilities of the Company. Any special interface equipment necessary to achieve the compatibility between facilities of the Company and the channels or facilities of others shall be provided at the Customer's expense.

2.5.2 Inspections

- (A) The Company may, upon notification of the Customer, at a reasonable time, make such tests and inspections as may be necessary to determine that the requirements regarding the equipment and interconnections are being complied with in the installation, operation and maintenance of Customer-provided equipment and in the wiring of the connection of Customer channels to Company-owned facilities.
- (B) If the protective requirements in connection with Customer-provided equipment are not being complied with, the Company may take such action as necessary to protect its facilities and personnel and will notify the Customer by registered mail in writing of the need for protective action. In the event that the Customer fails to advise the Company within 10 days after such notice is received or within the time specified in the notice that corrective action has been taken, the Company may take whatever additional action is deemed necessary, including the suspension of service, to protect its facilities and personnel from harm. Company will upon request 24 hours in advance provide Customer with a statement of parameters that the Customer's equipment must meet.

2.6 Payment Arrangements

2.6.1 Payment for Service

- (A) The Customer is responsible for payment of all charges for facilities and services furnished by the Company. Federal, state and local sales, use and excise taxes, where applicable, shall be added to the charges contained herein. It shall be the responsibility of the Customer to pay these taxes and to accept the liability of any such unpaid taxes that may subsequently become applicable retroactively.
- (B) Bills are due and payable by the 7th of each month. If the Customer's net bill is not paid (payment received by the Company) within thirty (30) days after the invoice date listed on the bill it shall become a delinquent bill and interest at the lesser of (1) the rate of three percent (3%) per month or (2) the highest rate allowed by the law of Arizona per month shall accrue upon any unpaid amount. If the Company initiates legal proceedings to collect any amount due hereunder and the Company substantially prevails in such proceedings then the defendant Customer shall pay the reasonable attorneys' fees and costs of the Company in prosecuting such proceedings and appeals therefrom.
- (C) The Customer will be assessed a charge of twenty-five (\$25.00) for each check submitted by the Customer to the Company which a financial institution refuses to honor for insufficient funds or a non-existent account.

- (D) Customers are responsible for any previously unbilled charge for services furnished prior to three months immediately preceding the date of the bill, except for collect calls, credit card calls, third party calls and "Error File" calls (those which cannot be billed due to the unavailability of complete billing information to the Company) which shall have a six-month back billing period. In case of fraud, a back billing period of no more than three years will apply.

2.6.2 Discontinuance of Service for Cause

Upon non-payment of any sum owing to the Company for more than 30 days beyond the date of rendition of the bill for service or upon violation of any of the terms or conditions governing the furnishing of service under this tariff, the Company may, after 24 hours advance notice in writing to the Customer, without incurring any liability, discontinue the furnishing of service under this tariff.

These restrictions on Long Distance Telecommunications Service may include, but are not limited to, the following: the Company may withhold the use of a specific 800 number or deny its transfer to another carrier for nonpayment of charges due as specified in the preceding section. Such action may be taken without written notice being sent to the Customer. Upon payment of charges by the Customer this restriction on the use of a specific 800 number will be removed.

3. SERVICE OFFERINGS

3.1 Intrastate and Interstate Long Distance Telecommunications Service3.1.1(a) Description of Services

Intrastate Long Distance Telecommunications Service consists of the furnishing of switched and dedicated telephone service between points within the State of Arizona. Interstate Long Distance Telecommunications Service consists of the furnishing of switched and dedicated telephone service between points within the United States Mainland, and between the Mainland and Alaska and Hawaii. Such services are available twenty-four (24) hours a day, seven (7) days a week.

3.1.1(b) Explanation of Rates for Intrastate and Interstate Long Distance Telecommunications Service

The rates for the Company's Intrastate and Interstate Long Distance Telecommunications Service will depend on the length of the call and the time period in which the call is placed. Rates are flat rated and apply to all contiguous Arizona and contiguous U.S. calls regardless of distance. Non-mainland U.S. calls are charged by destination and are also flat rated. Calls which overlap rate periods will be charged according to the rates applicable to the time period in which the call started. Rate periods are indicated on the chart on the following page. The following Rate Schedule represents the maximum applied rate for Intrastate and Interstate services.

The Company may request any Customer to pay in advance for toll services based on a good faith estimate of traffic volumes. At the Company's discretion a deposit of (1) month's estimated call volume may be reacquired and may be reimbursed upon establishing prompt payment history.
